

Screenie Privacy Policy

This privacy policy governs your use of the software application Screenie (“Application”) that was created by roxy.feedback@gmail.com. The Application is a quick and convenient screenshot tool, with advanced features of text recognition and translation. Privacy is very important for us. To be transparent we will explain how Screenie processes your data. If you don’t agree with our Privacy Policy and other terms below, please do not use our application and contact us with your concerns to roxy.feedback@gmail.com.

Personal Data

We do not collect any data and don’t share your data with other services except screenshots you provide for OCR processing and text you provide for translation. We do use a third-party service to process the following images and text. All the data is getting deleted after the end of the OCR/translation process.

Automatically Collected Information

Application doesn’t collect any information automatically.

What are my opt-out rights

You can stop using this Application easily by uninstalling it.
